## **2. BACKGROUND**

The City of Sacramento owns the 28<sup>th</sup> Street Landfill, located at the junction of 28<sup>th</sup> Street and A Street. The landfill has been closed since 1997. Waste Management Units (WMUs) A and B comprise a total of approximately 110 acres of vacant grasslands with no trees or other shade or wind breaks. Post-closure operations consist of addressing settlement during summer months (July through September) and monitoring for methane gas and ground water. There is a methane-gas-collection system on the site, as well as ground-water monitoring wells. Through various agreements, the methane gas generated on site is managed by Gas Recovery Systems, which sells the gas to Blue Diamond. Post-closure monitoring on WMUs A and B will continue until at least 2027.

The City Parks Department is developing Sutter Landing Park on the western extension of the 28<sup>th</sup> Street Landfill. There is a feasibility analysis to develop WMUs A and B into future uses that include building a parking facility for the City Zoo and/or relocating the City Zoo to this site. These plans may occur within the next ten years. Therefore, any lease would have a term of at least ten years with the City's option either to renew the lease and/or to assist in relocating the SPV Farm from the site to another location in the City. The City will consider a longer term lease for SPV collectors that are designed to be incorporated into the development of Sutter Landing Park. Examples of this type of use would be shade structures over parking areas and/or near soccer fields and/or the dog park.

The 28<sup>th</sup> Street Landfill is operated by the Department of Utilities, Solid Waste Services, which is a City enterprise fund. Post-closure monitoring and regulatory compliance is the City's responsibility. Therefore, any design and operation of a SPV Farm on the landfill will be subject to review and approval of the regulatory agencies overseeing the post-closure activities. Prior to releasing this RFQ, the City consulted with the California Integrated Waste Management Board and the Local Enforcement Agency to discuss in concept the idea of developing a solar farm on the landfill. They expressed the following preliminary concerns:

- A) Ongoing post-closure monitoring requirements should be continued as described above.
- B) If the design of the SPV Farm requires a breach in the landfill cover, then an amendment to the closure/post closure plan will be required.
- C) Potential settlement due to the weight of SPV Farm's platforms or foundations on the landfill.

## **3. SCOPE OF SERVICE**

The City desires to reduce the amount of greenhouse gas by using the 28<sup>th</sup> Street Landfill to generate alternative sources of clean energy. The City also desires to generate revenue that can be used to help pay the post-closure cost of the 28<sup>th</sup> Street Landfill and to contribute toward stabilizing solid-waste fees paid by its customers. Post-closure activities are scheduled until 2027, which is 30 years after closure of the landfill. The final end use of the 28<sup>th</sup> Street Landfill is Sutter Landing Park, now being developed by the City Parks Department. When development of Sutter Landing Park is finished, the City will renegotiate the SPV Farm lease either to relocate the SPV

Farm on Sutter Landing Park to offset the energy cost for the park, and/or to relocate the SPV Farm elsewhere in the City. A longer term lease beyond ten years will be considered for SPV structures that incorporate the design and development of Sutter Landing Park.

Submittals to this RFQ should be “turnkey” proposals that cover all facets of the development, permitting, environmental review, design, construction, operation, and financing of an SPV Farm. Specifically, submittals demonstrate the respondent’s ability and qualifications to design, permit, finance, build, and operate an SPV Farm capable of generating a clean, alternative source of electrical energy that can be marketed for sale to a power company/generator. Interested parties should illustrate their experience in developing, building and operating a SPV project or similar projects in California. Such examples should include experience with the California Environmental Quality Act (CEQA). Submittals should also include an outline of general responsibilities pertaining to the respondent as well as to the City, including anticipated fees associated with operating the SPV Farm.

## APPENDIX A

### SOQ SUBMITTAL REQUIREMENTS

#### INTRODUCTION

These guidelines were developed to standardize the process for submitting Statements of Qualifications (SOQs) to the City by assuring consistency in the format and content of SOQs . This will reduce the time required for preparing a SOQ and simplify the City's review.

A submittal must contain the following information:

1. Introductory Letter
2. Qualifications and Experience of the Respondent
3. Conflict-of-Interest Statement
4. At Least Three References for SPV or similar projects in California

#### RECOMMENDED DETAIL

**Note: Items 1, 2, and 3 above must not exceed a total of seven single-sided pages (8½" X 11"). This page limit will be strictly enforced.** There is no page limit for item 4 above.

##### 1. Introductory Letter.

This letter should be addressed to:

***City of Sacramento, Department of Utilities

It should reflect the respondent's understanding of the proposed SPV Farm and summarize critical issues, challenges, milestone tasks, and appropriate resourcing. It should be based on existing information available from the RFQ, a site visit, available documents, and applicable regulations or requirements. It should also describe the respondent's qualifications to do the work and summarize any information about the respondent's project team or the respondent that may be useful or informative to the City. The letter should describe the respondent's expectations, if any, regarding funding assistance or entitlements from the City.

## 2. Qualifications and Experience

**An organization chart for the respondent's proposed project team must be included.**

Describe how the respondent is organized. Discuss the respondent's qualifications and experience, its project manager, and its subcontractors (if any) on similar projects. This section should also include SPV or similar projects completed in California. **Specific experience with local, state, and federal agencies should be also included.**

## 3. Conflict-of-Interest Statement

Respondents must disclose any financial, business, or other relationships with the City that may have an impact upon the SPV Farm. Respondent must also list their current clients or partners who may have a financial or other interest affecting the SPV Farm, such as firms conducting post-closure monitoring on WMUs A and B. As noted above, post-closure monitoring is not scheduled to be completed until least 2027.

## 4. References

References should describe the respondent's successful completion of work undertaken in the last five years that is similar in scope and complexity to the proposed SPV Farm. References should also include a summary table showing the following information for each project:

- Name of project, and the date services were provided
- Names of respondent's project manager and key team personnel on the project
- Scope of the respondent's assignment on the project
- Name of the agency or entity for which the respondent undertook the project, plus the name, address, and current phone number of the agency's or entity's project manager

**NOTE: A minimum of three references are required.** City staff will contact each reference. References with incorrect contact information will not count toward the required minimum.

## APPENDIX B

### GENERAL INFORMATION

#### 1. Selection Process

The selection process is described below.

- A. After the period has closed for receipt of Statements of Qualifications (SOQ), each SOQ will be examined to determine compliance with the format requirements specified in the RFQ. Any SOQ that does not meet the format requirements will be eliminated from competition and returned to the respondent. The City may reject any SOQ if it is conditional, incomplete, or contains irregularities.
- B. A Selection Panel (SP) will review each SOQ that meets the format requirements. SP members will individually evaluate and score each in accordance with the scoring system shown in Appendix C.
- C. Following its evaluation of the SOQ, the SP will make a recommendation of how to proceed. The City may choose to interview the top candidates, who will be scored in accordance with part 2 of the evaluation criteria contained in Appendix C. The City may develop a Request for Information using the information learned from the SOQs, or it may choose to do no further work on the proposed SPV Farm. **The City reserves the right to determine the qualifications of the respondent on the basis of the SOQ only.**
- D. After reviewing the SOQ's submitted, the City may post a Request for Qualifications (RFQ) for further selection.
- E. All respondents will be notified of the results.

#### 2. Late Submittal

A SOQ is late if received at any time after the required submittal date and time. A SOQ received after the specified time will not be considered and will be returned to the respondent.

#### 3. Modification or Withdrawal of Submittal

Any SOQ received prior to the date and time specified above for receipt of SOQ may be withdrawn or modified by written request of the respondent. To be considered, however, the modified SOQ must be received by the required time and date specified.

3. Contractor understands, to the extent that such benefits are not preempted or prohibited by federal or state law, employee benefits covered by the Ordinance are any of the following:
  - a. Bereavement Leave

  - c. Family medical leave
  - d. Health benefits
  - e. Membership or membership discounts

Contractor agrees that if Contractor offers any of the above-listed employee benefits, Contractor will offer those benefits, without discrimination between employees with spouses and employees with domestic partners, and without discrimination between the spouses and domestic partners of such employees.

4. Contractor understands that Contractor will not be considered to be discriminating in the provision or application of employee benefits under the following conditions or circumstances:
  - a. If the actual cost of providing a benefit to a domestic partner or spouse exceeds the cost of providing the same benefit to a spouse or domestic partner of an employee, Contractor will not be required to provide the benefit, nor shall it be deemed discriminatory, if Contractor requires the employee to pay the monetary difference in order to provide the benefit to the domestic partner or to the spouse.
  - b. If Contractor is unable to provide a certain benefit, despite taking reasonable measures to do so, if Contractor provides the employee with a cash equivalent Contractor will not be deemed to be discriminating in the application of that benefit.

Contractor understands that any delay in the implementation of such policies may not exceed one (1) year from the date this Agreement is executed by the City, and applies only to those employee benefits for which an open enrollment process is applicable.

The time allotted for these administrative steps will apply only to those employee benefits for which administrative steps are necessary and may not exceed three (3) months from the date this Agreement is executed by the City.
  - g. Until the expiration of a current collective bargaining agreement(s) if employee benefits are governed by such collective bargaining agreement(s).
  - h. Contractor takes all reasonable measures to end discrimination in employee benefits by either requesting that the union(s) involved agree to reopen the agreement(s) in order for Contractor to take whatever steps are necessary to end discrimination in employee benefits or by ending discrimination in employee benefits without reopening the collective bargaining agreement(s).
  - i. In the event Contractor cannot end discrimination in employee benefits despite taking all reasonable measures to do so, Contractor provides a cash equivalent to eligible employees for whom employee benefits are not available. Unless otherwise authorized in writing by the City Manager, Contractor understands this cash equivalent must begin at the time the union(s) refuse to allow the collective bargaining agreement(s) to be reopened or not longer than three (3) months after the date this Agreement is executed by the City.
5. Contractor understands that failure to comply with the provisions of Section 4(a) through 4(i), above, will subject Contractor to possible suspension and/or termination of this Agreement for cause; repayment of any or all of the Agreement amount disbursed by the City; debarment for future agreements until all penalties and restitution have been paid in full and/or for up to two (2) years; and/or the imposition of a penalty, payable to the City, in the sum of \$50.00 for each employee, for each calendar day during which the employee was discriminated against in violation of the provisions of the Ordinance.
6. Contractor understands and agrees to provide notice to each current employee and, within ten (10) days of hire, to each new employee, of their rights under the Ordinance. Contractor further agrees to maintain a copy of each such letter provided, in an appropriate file for inspection by authorized representatives of the City. Contractor also agrees to prominently display a poster informing each employee of these rights.
7. Contractor understands that Contractor has the right to request a waiver of, or exemption from, the provisions of the Ordinance by submitting a written request to the City's Procurement Services Division prior to Agreement award, which request shall identify the provision(s) of the Ordinance authorizing such waiver or exemption and the factual basis for such waiver or exemption. The City shall determine in its sole discretion whether to approve any such request.
8. Contractor agrees to defend, indemnify and hold harmless, the City, its officers and employees, against any claims, actions, damages, costs (including reasonable attorney fees), or other liabilities of any kind arising from any violation of the Requirements or of the Ordinance by Contractor.

The undersigned declares under penalty of perjury under the laws of the State of California that the foregoing is true and correct, and that he or she is authorized to bind the Contractor to the provisions of this Declaration.

**3. Conflict of Interest Requirements.**

A. **Generally.** Under the California Political Reform Act, Government Code §§ 81000 et seq., designated employees of the CITY are required to comply with the CITY's Conflict of Interest Code. The term "designated employees" is a term of art and includes individuals who are working for contractors who are providing services or performing work for the CITY and who are considered to be "consultants" under the Political Reform Act. The term "consultant" generally includes individuals who make, or participate in making, governmental decisions or who serve in a staff capacity. Individuals who perform work that is solely clerical, ministerial, manual or secretarial are not "consultants."

The CITY's Conflict of Interest Code requires designated employees, including individuals who qualify as "consultants", to file the following statements of economic interests:

- (1) An “assuming office” statement of economic interests to be filed within 30 days after execution of the agreement between the City and the contractor;

The above statements of economic interests are public records subject to public disclosure under the California Public Records Act.

The CITY’s Conflict of Interest Code also requires individuals who qualify as “consultants” under the Political Reform Act to comply with the conflict of interest provisions of the Political Reform Act, which generally prohibit individuals from making or participating in the making of decisions that will have a material financial effect on their economic interests.

#### GENERAL PROVISIONS

1. **Independent Contractor.**

- A. It is understood and agreed that CONTRACTOR (including CONTRACTOR's employees) is an independent contractor and that no relationship of employer-employee exists between the parties hereto for any purpose whatsoever. Neither CONTRACTOR nor CONTRACTOR's assigned personnel shall be entitled to any benefits payable to employees of CITY. CITY is not required to make any deductions or withholdings from the compensation payable to CONTRACTOR under the provisions of this Agreement, and CONTRACTOR shall be issued a Form 1099 for its services hereunder. As an independent contractor, CONTRACTOR hereby agrees to indemnify and hold CITY harmless from any and all claims that may be made against CITY based upon any contention by any of CONTRACTOR's employees or by any third party, including but not limited to any state or federal agency, that an employer-employee relationship or a substitute therefore exists for any purpose whatsoever by reason of this Agreement or by reason of the nature and/or performance of any Services under this Agreement. (As used in this Exhibit D, the term "Services" shall include both Services and Additional Services as such terms are defined elsewhere in this Agreement.)
- B. It is further understood and agreed by the parties hereto that CONTRACTOR, in the performance of its obligations hereunder, is subject to the control and direction of CITY as to the designation of tasks to be performed and the results to be accomplished under this Agreement, but not as to the means, methods, or sequence used by CONTRACTOR for accomplishing such results. To the extent that CONTRACTOR obtains permission to, and does, use CITY facilities, space, equipment or support services in the performance of this Agreement, this use shall be at the CONTRACTOR's sole discretion based on the CONTRACTOR's determination that such use will promote CONTRACTOR's efficiency and effectiveness. Except as may be specifically provided elsewhere in this Agreement, the CITY does not require that CONTRACTOR use CITY facilities, equipment or support services or work in CITY locations in the performance of this Agreement.
- C. If, in the performance of this Agreement, any third persons are employed by CONTRACTOR, such persons shall be entirely and exclusively under the direction, supervision, and control of CONTRACTOR. It is further understood and agreed that CONTRACTOR shall issue W-2 or 1099 Forms for income and employment tax purposes, for all of CONTRACTOR's assigned personnel and subcontractors.

D. The provisions of this Section 1 shall survive any expiration or termination of this Agreement. Nothing in this Agreement shall be construed to create an exclusive relationship between CITY and CONTRACTOR. CONTRACTOR may represent, perform services for, or be employed by such additional persons or companies as CONTRACTOR sees fit provided that CONTRACTOR does not violate the provisions of Section 5, below.

2. **Licenses; Permits, Etc.** CONTRACTOR represents and warrants that CONTRACTOR has all licenses, permits, City Business Operations Tax Certificate, qualifications, and approvals of whatsoever nature that are legally required for CONTRACTOR to practice its profession or provide any services under the Agreement. CONTRACTOR represents and warrants that CONTRACTOR shall, at its sole cost and expense, keep in effect or obtain at all times during the term of this Agreement any licenses, permits, and approvals that are legally required for CONTRACTOR to practice its profession or provide such Services. Without limiting the generality of the foregoing, if CONTRACTOR is an out-of-state corporation, CONTRACTOR warrants and represents that it possesses a valid certificate of qualification to transact business in the State of California issued by the California Secretary of State pursuant to Section 2105 of the California Corporations Code.
3. **Time.** CONTRACTOR shall devote such time and effort to the performance of Services pursuant to this Agreement as is necessary for the satisfactory and timely performance of CONTRACTOR's obligations under this Agreement. Neither party shall be considered in default of this Agreement, to the extent that party's performance is prevented or delayed by any cause, present or future, that is beyond the reasonable control of that party.
4. **CONTRACTOR Not Agent.** Except as CITY may specify in writing, CONTRACTOR and CONTRACTOR's personnel shall have no authority, express or implied, to act on behalf of CITY in any capacity whatsoever as an agent. CONTRACTOR and CONTRACTOR's personnel shall have no authority, express or implied, to bind CITY to any obligations whatsoever.
5. **Conflicts of Interest.** CONTRACTOR covenants that neither it, nor any officer or principal of its firm, has or shall acquire any interest, directly or indirectly, that would conflict in any manner with the interests of CITY or that would in any way hinder CONTRACTOR's performance of Services under this Agreement. CONTRACTOR further covenants that in the performance of this Agreement, no person having any such interest shall be employed by it as an officer, employee, agent or subcontractor, without the written consent of CITY. CONTRACTOR agrees to avoid conflicts of interest or the appearance of any conflicts of interest with the interests of CITY at all times during the performance of this Agreement. If CONTRACTOR is or employs a former officer or employee of the CITY, CONTRACTOR and any such employee(s) shall comply with the provisions of Sacramento City Code Section 2.16.090 pertaining to appearances before the City Council or any CITY department, board, commission or committee.
6. **Confidentiality of CITY Information.** During performance of this Agreement, CONTRACTOR may gain access to and use CITY information regarding inventions, machinery, products, prices, apparatus, costs, discounts, future plans, business affairs, governmental affairs, processes, trade secrets, technical matters, systems, facilities, customer lists, product design, copyright,

data, and other vital information (hereafter collectively referred to as "City Information") that are valuable, special and unique assets of the CITY. CONTRACTOR agrees to protect all City Information and treat it as strictly confidential, and further agrees that CONTRACTOR shall not at any time, either directly or indirectly, divulge, disclose or communicate in any manner any City Information to any third party without the prior written consent of CITY. In addition, CONTRACTOR shall comply with all CITY policies governing the use of the CITY network and technology systems, as set forth in applicable provisions of the City of Sacramento Administrative Policy Instructions # 30. ## **7. CONTRACTOR Information.**

- A. CITY shall have full ownership and control, including ownership of any copyrights, of all information prepared, produced, or provided by CONTRACTOR pursuant to this Agreement. In this Agreement, the term "information" shall be construed to mean and include: any and all work product, submittals, reports, plans, specifications, and other deliverables consisting of documents, writings, handwritings, typewriting, printing, photostating, photographing, computer models, and any other computerized data and every other means of recording any form of information, communications, or representation, including letters, works, pictures, drawings, sounds, or symbols, or any combination thereof. CONTRACTOR shall not be responsible for any unauthorized modification or use of such information for other than its intended purpose by CITY.
- B. CITY shall make reasonable efforts to notify CONTRACTOR not later than ten (10) days after CITY is served with any such claim, action, lawsuit or other proceeding, provided that CITY's failure to provide such notice within such time period shall not relieve CONTRACTOR of its obligations hereunder, which shall survive any termination or expiration of this Agreement.
- C. All proprietary and other information received from CONTRACTOR by CITY, whether received in connection with CONTRACTOR's proposal to CITY or in connection with any Services performed by CONTRACTOR, will be disclosed upon receipt of a request for disclosure, pursuant to the California Public Records Act; provided, however, that, if any information is set apart and clearly marked "trade secret" when it is provided to CITY, CITY shall give notice to CONTRACTOR of any request for the disclosure of such information. The CONTRACTOR shall then have five (5) days from the date it receives such notice to enter into an agreement with the CITY, satisfactory to the City Attorney, providing for the defense of, and complete indemnification and reimbursement for all costs (including plaintiff's attorney fees) incurred by CITY in any legal action to compel the disclosure of such information under the California Public Records Act. The CONTRACTOR shall have sole responsibility for defense of the actual "trade secret" designation of such information.
- D. The parties understand and agree that any failure by CONTRACTOR to respond to the

notice provided by CITY and/or to enter into an agreement with CITY, in accordance with the provisions of subsection C, above, shall constitute a complete waiver by CONTRACTOR of any rights regarding the information designated "trade secret" by CONTRACTOR, and such information shall be disclosed by CITY pursuant to applicable procedures required by the Public Records Act.

**8. Standard of Performance.** CONTRACTOR shall perform all Services required pursuant to this Agreement in the manner and according to the standards currently observed by a competent practitioner of CONTRACTOR's profession in California. All products of whatsoever nature that CONTRACTOR delivers to CITY pursuant to this Agreement shall be prepared in a professional manner and conform to the standards of quality normally observed by a person currently practicing in CONTRACTOR's profession, and shall be provided in accordance with any schedule of performance specified in Exhibit A. CONTRACTOR shall assign only competent personnel to perform Services pursuant to this Agreement. CONTRACTOR shall notify CITY in writing of any changes in CONTRACTOR's staff assigned to perform the Services required under this Agreement, prior to any such performance. In the event that CITY, at any time during the term of this Agreement, desires the removal of any person assigned by CONTRACTOR to perform Services pursuant to this Agreement, because CITY, in its sole discretion, determines that such person is not performing in accordance with the standards required herein, CONTRACTOR shall remove such person immediately upon receiving notice from CITY of the desire of CITY for the removal of such person.

**9. Term; Suspension; Termination.**

- A. This Agreement shall become effective on the date that it is approved by both parties, set forth on the first page of the Agreement, and shall continue in effect until both parties have fully performed their respective obligations under this Agreement, unless sooner terminated as provided herein.
- B. CITY shall have the right at any time to temporarily suspend CONTRACTOR's performance hereunder, in whole or in part, by giving a written notice of suspension to CONTRACTOR. If CITY gives such notice of suspension, CONTRACTOR shall immediately suspend its activities under this Agreement, as specified in such notice.
- C. CITY shall have the right to terminate this Agreement at any time by giving a written notice of termination to CONTRACTOR. If CITY gives such notice of termination, CONTRACTOR shall immediately cease rendering Services pursuant to this Agreement. If CITY terminates this Agreement:
  - (1) CONTRACTOR shall, not later than five days after such notice of termination, deliver to CITY copies of all information prepared pursuant to this Agreement.
  - (2) CITY shall pay CONTRACTOR the reasonable value of Services rendered by CONTRACTOR prior to termination; provided, however, CITY shall not in any manner be liable for lost profits that might have been made by CONTRACTOR had the Agreement not been terminated or had CONTRACTOR completed the Services required by this Agreement. In this regard, CONTRACTOR shall furnish to CITY such financial information as in the judgment of the CITY is

necessary for CITY to determine the reasonable value of the Services rendered by CONTRACTOR. The foregoing is cumulative and does not affect any right or remedy that CITY may have in law or equity.

**10. Indemnity.**

- A. Indemnity: CONTRACTOR shall defend, hold harmless and indemnify CITY, its officers and employees, and each and every one of them, from and against any and all claims, actions, damages, costs, liabilities, demands, losses, judgments, penalties and expenses of every type and description, including, but not limited to, any fees and/or costs reasonably incurred by CITY's staff attorneys or outside attorneys and any fees and expenses incurred in enforcing this provision (hereafter collectively referred to as "Claims"), including but not limited to Claims arising from personal injury or death, damage to personal, real or intellectual property or the environment, contractual or other economic damages, or regulatory penalties, that arise out of, pertain to or relate to any negligent act or omission, recklessness or willful misconduct of CONTRACTOR, its sub-consultants, subcontractors or agents, and their respective officers and employees, in connection with performance of or failure to perform this Agreement, whether or not such Claims are litigated, settled or reduced to judgment; provided that the foregoing indemnity does not apply to liability for damages for death or bodily injury to persons, injury to property, or other loss, damage or expense to the extent arising from (i) the sole negligence or willful misconduct of, or defects in design furnished by, CITY, its agents, servants, or independent contractors who are directly responsible to CITY, or (ii) the active negligence of CITY.
- B. Insurance Policies; Intellectual Property Claims: The existence or acceptance by CITY of any of the insurance policies or coverages described in this Agreement shall not affect or limit any of CITY's rights under this Section 10, nor shall the limits of such insurance limit the liability of CONTRACTOR hereunder. This Section 10 shall not apply to any intellectual property claims, actions, lawsuits or other proceedings subject to the provisions of Section 7.B., above. The provisions of this Section 10 shall survive any expiration or termination of this Agreement.
