## Apply Online

Net Energy Metering applications for interconnection 30kW or less must be filled out through our online form. Most residential customers will use this form.

[Apply now \(https://nemapplication.sempa.com/\)](https://nemapplication.sempa.com/)

Please submit your application two (2) weeks prior to city and/or county inspection being released. Submitting your application within this time-frame will minimize or avoid unexpected delays in the application approval process.

The following documents are needed to complete this form:

- [Electrical One-Line Diagram Drawing \(/sites/default/files/documents/Nem-OneLineElecDiaq.pdf\)](/sites/default/files/documents/Nem-OneLineElecDiaq.pdf) (pdf)
- [Electrical One-Line Diagram Drawing \(CSI/PBI\) \(/sites/default/files/documents/nem-OneLineElecDiaqCSI.pdf\)](/sites/default/files/documents/nem-OneLineElecDiaqCSI.pdf) (pdf)

The NEM application may take up to 15 minutes to complete. To prevent your session from timing out, please have all required documents on hand before starting the application process.
